

We support students at the Hochschule Niederrhein University of Applied Sciences with a scholarship Deutschlandstipendium.

Deutschland STIPENDIUM

Wir sind dabei

As an employer the promotion of young talent plays a meaningful roll.

In the wake of demographic change, it is important for us to get to know the top talent of tomorrow at an early stage and to present ourselves as an attractive employer.

Personal contact with the students is particularly important to us, because only in this way can an exchange and a lasting bond can take place.

By sponsoring the Deutschlandstipendium at the Hochschule Niederrhein University of Applied Sciences, we not only contribute to the future of Germany, but also strengthen our region.
